

# Ottawa Code Camp 2008

We're almost there!

The Ottawa Code Camp is just a couple of days away and everything is in place for an awesome day-long coding experience. We've got 15 presentations in 3 tracks giving you the opportunity to sit in on 5 fabulous sessions.

All of our speakers are senior developers from the Ottawa, Gatineau, and Montreal developer communities and their presentations are going to focus on Code, Code, Code! Read all about our [Speakers](#), their [Sessions](#), and the [Code Camp Agenda](#) on the [www.OttawaCodeCamp.ca](http://www.OttawaCodeCamp.ca) website.

Our sponsors are picking up the tab for the venue and the food and they have thrown in some very cool door prizes! All you have to do is make it down to the event on Saturday morning and enjoy! Doors open for registration at 8:30 and a brief Keynote will kick off the day at 8:30.

This is going to be an awesome learning opportunity so, if you have not already registered, then you can do so via the registration page on the [www.OttawaCodeCamp.ca](http://www.OttawaCodeCamp.ca) website.

See you all soon!
